PRODUCTION YOU CAN BANK ON

ABOUT US

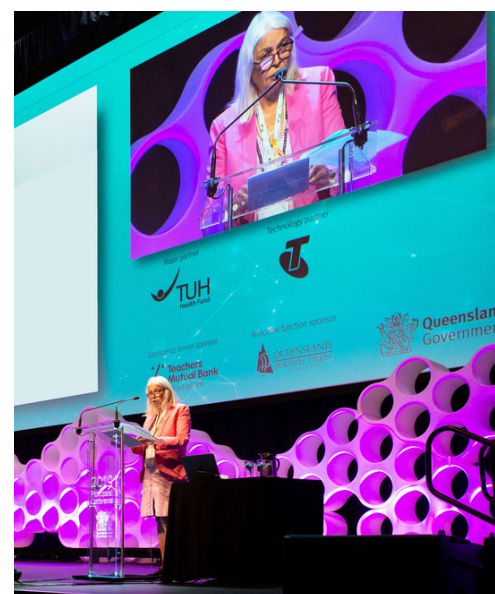

For nearly 25 years, Prime Audiovisual has delivered reliable, high-quality event production as a trusted audio visual partner to corporate and public sector clients.

Australian owned, founded in 2003, we've built a reputation on consistency, discretion, and commitment to service excellence. Many of our earliest clients remain with us today.

Working across 500+ events each year, with more than 80% of these repeat clients, we manage everything from confidential boardroom meetings to the live streaming of spinal surgery, through to large-scale international events with audiences of 20,000.

EXPERIENCED, EXPERT TEAMS

Senior technicians with decades of corporate event experience. Low staff turnover means familiar faces, consistent delivery, and institutional knowledge retained year after year.

PROVEN TECHNOLOGY, NO SHORTCUTS

We invest in reliable, enterprise-grade audio visual and presentation systems, using proven technology to ensure seamless, high-quality results.

SERVICE DISCIPLINE

Structured account management, clear communication, and flexibility where it matters, without compromising standards.

QUALITY AND SAFETY ASSURED

Robust WHS and quality frameworks aligned to regulatory requirements and best practice. Compliance is embedded, not added on.

OUR CORE PILLARS

OUR TEAM

**RIGHT SIZED,
BY DESIGN**

A TEAM OF EXPERTS BUILT FOR CONTROL, ACCESS, AND ACCOUNTABILITY

Prime Audiovisual operates with a highly experienced core team supported by trusted specialists. This structure gives our clients:

DIRECT ACCESS TO SENIOR DECISION-MAKERS

FASTER RESPONSE TIMES

TAILORED SOLUTIONS, NOT TEMPLATED PRODUCTION

ACCOUNTABILITY FROM BRIEFING THROUGH DELIVERY

We're large enough to deliver complex, multi-stakeholder events and small enough to remain agile, responsive, and personally invested.
